Green Fleet

WE ARE HERE TO KEEP YOUR FLEET MOVING

Our aim is to find you the best solution for your current business requirements.

We make financing your vehicles easy and manageable without requiring ownership. We understand businesses may require comprehensive short to mid-term vehicle hire as well as the longer-term funding options such as Business Contract Hire or Contract Purchase.

As part of our Short Term Hire service we offer 3 different solutions, tailored for your business:

- Daily Hire - A daily leasing scheme
- FleetFlex - Our flexible leasing scheme
- Mini lease - A fixed term leasing scheme

With any funding option, there are always benefits as well as considerations.

One of Agility Fleet's core values is integrity. Therefore, we aim to provide both the benefits and considerations of our Short Term solutions, to find out more about this please visit our website for further details.

We have a team of specialists on hand to make finding a vehicle that suits you and your business needs.

Our aim is to help you get the vehicle you require at a price you are happy with. We combine that with a promise to provide excellent customer service throughout your partnership with Agility Fleet, no matter how long your contract is.

01

Daily Hire

This programme can facilitate a day's hire up to 30 days and we can deliver a car within 2 hours of the request and a van within 4 hours*.

The Daily Hire scheme is popular with customers who require an immediate vehicle should they require a quick solution to keeping their drivers on the road.

Our aim is to help you get the vehicle you require at a price you are happy with and we promise to provide excellent customer service throughout your partnership with Agility Fleet.

*subject to availability and delivery destination

02

FleetFlex

As the name suggests you have the flexibility to choose what is right for you with no large upfront deposit.

FleetFlex is our flexible leasing solution, giving you access to the latest makes and models and various mileage terms amongst other benefits.

This hire scheme allows us to provide you with vehicles when you do not know the exact dates you require your vehicle for, or if you do not want a long-term hire commitment.

03

Mini Lease

Our Mini-Lease product is available for up to 12 months and caters for businesses looking for a mid-way solution between daily hire and contract hire.

Our Mini-Lease programme brings a cost-effective, flexible solution to ad-hoc staffing needs that also offers a valuable benefit to employees.

With access to different makes and models including vans and premium cars to meet needs of corporate drivers, Mini-Lease is a popular short term hire solution.
